Box 241, Bremen, Indiana 46506.
- The original owner will have 30 days to complete and return the registration card to be valid. A registration card can be requested in writing from Digger Specialties, Inc. at the above address or can be obtained from the Digger Specialties, Inc. Website – [diggerspecialties.com](http://diggerspecialties.com).

### This warranty applies to:

- The original purchasing owner or if the real estate is transferred the first new owner can make a claim, as long as they have properly registered a property transfer card and returned it to the manufacturer within 60 days of new ownership. Proof of purchase must be provided. This is a transferable warranty.
- The warranty applies only to living entities. Non-living entities shall include but not be limited to governments, municipalities, corporations, and commercial operations. All non-living entities shall receive a 30-year limited warranty from the date of purchase.

### Warranty claim process:

- Contact the dealer or distributor who sold or installed the PolyVinyl Fencing Products or contact Digger Specialties, Inc., via mail (PO Box 241, Bremen, IN 46506), email ([warranty@diggerspecialties.com](mailto:warranty@diggerspecialties.com)), or phone (800-446-7659) **within 30 days** of discovering the claimed defect.
- If PolyVinyl Fencing Products are found to be defective and covered by this warranty, Digger Specialties, Inc. will provide replacement of the defective PolyVinyl Fencing Products, or at the sole discretion of Digger Specialties, Inc. provide financial compensation equal to the original purchase price.

### Limitations and conditions not covered:

- Damage caused by faulty installation, or from improper application (Digger Specialties, Inc. will provide installation guidelines upon request).
- Damage attributable to fire, violent storms, earthquake or other Acts of God, accidents, vandalism, or other casualties, impact of objects, or exposure to atmospheric pollutants or conditions other than natural weather processes.
- Damage or discoloration due to misuse, abuse, abrasion (including sand abrasion), and improper storage or to alteration of the material by paints, chemicals, or other substances not recommended for PolyVinyl Fencing Products.
- Any part relative to gate mechanism and/or operators.
- Cost of installation or removal, freight, labor and similar costs.
- Any incidental or consequential damages.
- Installations where the atmosphere is influenced by bodies of salt water (or other contaminant conditions) must adhere to the cleaning guidelines specified at [diggerspecialties.com](http://diggerspecialties.com) as modified from time to time.

### Other considerations:

- The manufacturer of this material does not recommend or approve this material for all possible end use applications. Your Local Code Authority should be consulted regarding its safety and applicability for intended usage.
- This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
